how are you
sustaining
yourself?

how are you
growing
our movements?

the alliance

if there is a revolution,
a liberation, a movement
happening- there must be
a movement happening within
you too. it's a mirroring.

at the root of what is
keeping me alive and our
community alive -
is community care.

how do we embody healing strategy in real time?

gabriella anaïs deal-marquez

how do you create healing for yourself?

how do you care for your community?

to build a sustainable movement,

we really have to invest in young people and their development,

their leadership,

and who they are as people.
